04/2011-07/2012

I.T. - Technical Support.

Pasteque.gr

10/2008-06/2010

I.T. - Technical Support.

Career Objectives

I deal with many different areas of web development from back end (PHP, Python, Mysql, MongoDB) to front end (HTML, CSS, jQuery/Javascript /VueJs) in order to achieve the best results in digital accessibility, user experience and visual design.
